09/11 No Talent Show season is just around the corner! Historically an event mostly organized by residents, we are looking for folks interested in joining the planning committee.

09/13 It's never too late to learn something new! How about a new language? September is Deaf Awareness month, and we will be offering an American Sign Language class where you will learn simple basic signs!

09/15 Do you enjoy the art of handwriting letters and interacting with youngsters? I have coordinated with an elementary school nearby to begin a Pen Pal Program! Come write a letter to a cool kid and help them hone their reading and writing skills.

09/21 For the last day of summer, come have your walker washed while you enjoy an Italian Soda and quality time with your friends and neighbors!
