09/11 No Talent Show season is just around the corner! Historically an event mostly organized by residents, we are looking for folks interested in joining the planning committee.

09/13 It's never too late to learn something new! How about a new language? September is Deaf Awareness month, and we will be offering an American Sign Language class where you will learn simple basic signs!

09/19 Our very own Margaret has published a book, and she will be discussing the inspiration, process, and journey at this discussion. See flyers for further details & how you can purchase a copy!

09/21 For the last day of summer, come have your walker washed while you enjoy an Italian Soda and quality time with your friends and neighbors!
